

# Elder Care Club

Barbara Mulay, U-M Work/Life Resource Center Coordinator, will join the Elder Care Club meeting on June 29. She will provide an overview of the many elder care resources available through the center and give us time for Q&A too. The center also provides nationwide resources to assist those who have long-distance caregiving needs. Please RSVP for this brown bag (mpalnau).

*Share resources and support each other  
as we deal with the stage in our lives  
when our parents are becoming  
dependent on us.*

**\*\*All Fleming staff welcome to join at monthly brown bag lunches from 12 noon–1 in 6063 Fleming conference room\*\***
